Weekly News Letter: Hagamos Más por Santa Rosalía, A. C.

Donation to the Orphanage Home "The Almighty"

This past Tuesday, *Hagamos Mas* Foundation made a kindly contribution to the children of the Orphanage Home "The Almighty" consisting of furniture, clothing and Popsicle sticks; the gifts were received with much enthusiasm.

Recycling Example

Yesterday, Mr. Wilfrido Sandoval Murillo gave the Foundation eight trash-bins made entirely of recycled materials (tires made from cars or bicycles). This is an example of what can be done with recycled materials by turning trash into a task opportunity.

Friends of the Foundation

Hagamos Mas Foundation and the Lion's Club held their fundraised presentation event for the items sold this past Friday at the Festival on behalf of the Santa Rosalia Fire Department, as well as a kindly donation consisting of cleaning materials.

Productive Recycling

Here is one more example of the work of Mr. Wilfrido who transformed trash into a business opportunity by recycling materials difficult to reuse and at the same time, helping in reducing trash pollution in the environment. If you are interested in any of these products contact the following number: (615) 107-0233.

Sterilization Campagin still in effect at CRESCA

The problem with stray dogs is a problem that affects us all so it is everyone's responsibility to solve it. One way to reduce the problems is by sterilizing our pets; doing so will prevent more dogs from being left-out on the streets without anyone becoming responsible for them.

Hagamos Mas Foundation continues with its free sterilizations campaign, be invite you to become a responsible pet owner. For more information contact us on Facebook: *Hagamos Mas* Foundation or by email at: fundacion@hagamosmas.org.mx or telephone (615) 152-1378.

!!!Stop worrying about things and start taking-care of things!!!
