Tax Dept. (SAT) Visit

This past Wednesday and Thursday we had personnel on-site from the Federal Tax Dept. (SAT) assisting people from the community and surrounding towns register for their RFC Tax ID number and the FIEL (Electronic Signature). It was a very successful event with 85 people completing the process.

CRESCA "Dog Shelter"

Ain't I beautiful! Please come to the CRESCA Dog Shelter and get to know me and take me out for a walk, I'll be very sweet and loving.

Educate for Life

This week the girls of the Education for Life Program made several visits to people of the community, as the 16th CINE, in order to strengthen ties of cooperation for the next cycle. Also, there was a meeting with people from the School District (SEP) to go-over the details of the program.

Community Garden Program

This past Monday we met with Mrs. Pilar Higuera Bareño, the Social Program Coordinator for INDESOL, who is in charge of coordinating the Community Garden project which will take place at the CAM (Community Center).

This Week's Pet Spaying

This week we had One request for pet spaying, please help to increase this number, spread the word, free pet spaying/neute-ring.

Sponsors

We want to give a heartfelt thank-you to our donors, because thanks to them the Foundation is able to accomplish all the activities published here in this newsletter. These are just some of them.

Boleriano Restaurant Bar/Café, Terco's Pollito Restaurant, VAYFO Purified Water, Bus Line Águila (Grupo Mar de Cortez).
