## Education for Life

The Education for Life program seeks to train better citizens, provide a sense of responsibility to local children in connection to their community values and conduct visits at Preschool and Elementary schools where the first stage of the "Education for Life" program starts. And as a second stage, visit the Colonia Miguel Hidalgo.

## Productive Options Support

An agreement was signed with Rustic Baja, the business who will be responsible for creating all the furniture that will be needed at the "Community Garden" project.

**Life Insurance for Head-of-households** SEDESOL, invites you to take part in the New Life Insurance aimed for Head-of-Households, which guarantees that in case of your absence, your children will be able to complete a University Education, thanks to the Federal Financial Initiative that will grant every two months.
