## Help victims of the Odile Hurricane

In the wake of the Hurricane Odile contingency, the Hagamos Mas Non-Profit Foundation offices will act as a hurricane relief Collection Center to help the most needed at the moment. We encourage you to drop-off canned food, cleaning and hygiene supplies, clothing, bottled water, or stop-by if you would

like to volunteer helping with the food-drive collection. If yes, we hope you're able to show up at Av. Progreso and Calle 10, Col. Centro. These are tuff times; however, the best thing we can all do is unite.

## CRESCA Dog Rescue Center Hurricane Update

The CRESCA Dog Rescue Center did not show any major infrastructure damage, nor any pet injury or loss after the Odile hurricane contingency, everything is slowly returning to normal even though there is still no access to the site by vehicle yet, the volunteers have arrived on-foot and are back working normally.

## Santa Rosalia Clean-up Drive

Clean-up drives are taking place through-out the streets of Santa Rosalia. If you would like your street clean get your neighbors involved and our Non-Profit Foundation will assist you by providing cleaning equipment such as shovels, rakes, picks, etc. and a vehicle to pick-up the trash accumulated at the end.

## Education for Life Program

The Education for Life Program ribbon-cutting event took place at several elementary and pre-schools located new neighborhoods zones or surroundings areas, who have registered and are now involved in this first-phase of the program. The ribbon cut was done by the school principals.
