GRAN CRUZADA POR LA SALUD MASCULINA

¡Ahora les toca a los hombres!

El diagnóstico oportuno de **Cáncer de Próstata** puede salvar tu vida, por ello la población mayor de **45 años** debe acudir al médico **Urólogo** para realizar el chequeo prostático.

LA PRÓSTATA ES COSA DE HOMBRES...

Acude a tu centro de salud o unidad médica más cercana. En la Secretaría de Salud el examen de Antígeno Prostático Específico es totalmente gratuito.

OCTUBRE Mes de Lucha contra el Cáncer de Mama

HEALTH Awareness

This past Monday, we participated in the cancer awareness march walking through the main streets of the community and afterwards a speech was held to raised awareness about this terrible disease, a woman gave her testimony and how she managed to beat him. "Early detection, it can save your life." vida".

Santa Rosalia Clean-Up Drive

Our Foundation along with staff from INAH in coordination with the project "Rescuing the Museum" conducted a clean-up drive using a truck to remove the existing waste at the site.

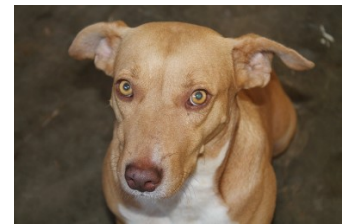

Fundraising

We would like to thank Monterrey Laboratory located on 10 Street for becoming part of our Partner Support Program specifically in our Outreach Reading Program.

CRESCA Dog Rescue Center

This is Guera, a very beautiful, healthy vaccinated, dewormed, spayed adult female from a lovely blood-line.

What a look! Beautiful adult female's also known as Güera! She is healthy, vaccinated, dewormed, spayed and from a good blood-line. **They are waiting at the CRESCA Center, stop-by and get to know them, you won't regret it.**

Education for Life Program

In the ongoing discussion of the current theme "Empathy: Putting yourself in the shoes of others" the student beneficiaries of the program had the opportunity to talk to Navy and the local Fire Dept. personnel and learned about their work-role and impact it has on the community.
